Charleston, WV Chemical Leak.pptx

I put this together for the program meeting, Dennis can these pictures be released outside the agency?

**Ex. 5 - Deliberative**

Thanks,

Melissa

Do any of you have a briefing or powerpoint on the response? I am giving a presentation to my DEP regional counterparts, and they asked if I could talk about our response there. I will look at the website and see if I can pull anything from there, but if you have anything already prepared that would be helpful.

Thanks

Greg
